WELCOME

to Conway House Dental Practice

Please allow us to extend a warm welcome to Conway House Dental Practice. We take pride in providing you with high quality dental care in a friendly and relaxed environment. Our team are dedicated to helping you and your family achieve and maintain good oral health through a preventative approach to your dental care. We encourage you to regularly visit for check-ups and hygienist appointments. We place a high emphasis on preventative care and patient education, building close relationships with our patients. We will work with you to help you to achieve and maintain optimum dental health. We employ dental hygienists whose services we feel are essential within a modern practice.

As a family owned practice, patient care and goodwill are extremely important to us. If you are anxious or nervous about visiting the dentist, please let us know about your worries or fears so that we can make your visit as pleasant as possible. Children are always welcome and we encourage them to attend however young they are. Under 5's receive free treatment if their parents/guardians are registered patients.

Free parking is available in the surgery's car park. The main entrance is ramped making the surgery accessible for wheelchairs and pushchairs.

Complaints

We welcome comments, suggestions and complaints so that we can continually improve our service to you. Please contact the Practice Manager in person or by phone, letter or email if you have a comment, suggestion or complaint.

We take complaints very seriously and have an effective procedure to resolve any problems in the shortest possible time. You can read more about our procedure in our complaints policy. We always want to have satisfied patients.

Protecting your information

We aim to provide you with the highest quality of dental care. To do this we need to keep records about you, your health and the care we have provided or plan to provide to you. We know that you value your privacy and the security of personal information held about you.

Confidentiality

You have the right to confidentiality. We also comply with the NHS Code of Practice on Confidentiality and dental healthcare personnel have a requirement under their professional code of ethics to keep records about you confidential, secure and accurate. All of our staff contracts of employment contain a requirement to keep patient information confidential.

Payments

After an initial examination the dentist will determine a plan of treatment which will be discussed with you. You will also be given a printed estimate of the cost.

You can pay by Card, Cash or Cheque.

We also offer a choice of how to pay for your private dental care, including helping you to budget for your care with fixed monthly payments with dental payment plans arranged by DPAS. Please ask reception for further information.
